

CHERRY CREEK ELEMENTARY SCHOOL

BREAKFAST AND LUNCH PROGRAM

Cherry Creek has an automated breakfast/lunch program. Lunches cost \$2.00 per day; reduced lunches cost 40 cents per day; and lunch milk with a lunch brought from home costs 30 cents each. Adult lunches cost \$3.00 each. Breakfast costs \$1.25. Students can go directly to the cafeteria when they get off the bus if they wish to have breakfast.

Every student is given an ID card that stays at school with their name and a bar code on it. Each family will have a "Family Account" and all children from that family will draw from it. **You can put any amount in your account at any time.** If you send money to school with your child, be sure to put your child's name on the check or money envelope so deposits are credited to the proper account. Checks should be made payable to "MAPS". When your account shows a negative balance, you will automatically get a computer message at your main phone. Children may bring their own lunches from home if you prefer.

If your child is going to be late and needs a school lunch please call the office at 225-4399 by 9:15 so we can order a lunch for your child.

Application forms for free or reduced lunches are available in the school office and are also in the calendar packets you recently received in the mail. If you are eligible for free or reduced lunches, we encourage you to complete the application form and return it to school as soon as possible.

Information for accessing and making payments to your account online will be sent home soon.
