

It's popcorn time at Cherry Creek! Every Monday morning, the Cherry Creek School Association (CCSA) pops popcorn for student snack time. We will begin the popcorn program on Monday, October 17th and everyone will receive popcorn that day. You can purchase a small bag of popcorn for your child's snack time for **\$8.00, which will cover the rest of the year. We are also giving you the opportunity to send in an additional \$2.00**

(\$10.00 total) to help sponsor another child. If your child would like popcorn for snack time, please send payment to school no later than Wednesday, October 19th to ensure that your child receives popcorn on Monday, October 24th. If there are days when your child does not attend school (sick or snow day), his/her popcorn money will be put towards classroom supplies. Please send your payment (cash or check) with your child to school in a separate envelope clearly labeled as Popcorn Payment and kept separate from hot lunch, book orders, or milk money payments. Please make checks payable to CCSA.
