## Senior Pictures Needed!

Seniors must submit their senior portrait by October 15<sup>th</sup> for guaranteed inclusion in the 2012 yearbook! This can be a wallet size (1  $\frac{3}{4}$  inches by 1  $\frac{1}{2}$  inches wide) but a **digital copy** of your photo on a disc is preferred (digital copies print clearer). It needs to be a color, vertical print focusing on the student's head and shoulders, and must conform to the school dress code. Plain backgrounds preferred in either grey or blue, no bright backgrounds allowed. No full body and no props in your picture! Senior pictures that do not adhere to these specifications will not be printed in the yearbook. Submit all senior photos to the high school office yearbook mailbox. By enclosing a self-addressed stamped envelope, you will assure that it is returned to you in May 2012.
