

Daily Self-Screening for COVID-19 For Staff & Visitors

*Please review each day,
if you have symptoms or
potential COVID-19
exposure, please do not
enter this facility.*

Do you have a fever?

Have you traveled?

Please self-monitor by taking your temperature at home.

Have you travelled via airplane internationally or domestically in the last 14 days?

Do you have symptoms?

If you've answered YES...

Cough, shortness of breath, sore throat, new loss of smell or taste, and/or gastrointestinal problems, including nausea, diarrhea, or vomiting?

It is advised to be tested for COVID-19, self-isolate/self-quarantine at home, until an employee is permitted to return to work as defined in the MAPS COVID-19 Preparedness and Response Plan. We kindly ask that visitors experiencing symptoms not enter our facility.

Close contact with someone with symptoms?

Have you lived with, or had

If you Develop Symptoms...

close contact with, someone in the last 14
days diagnosed

Employees who develop symptoms during their
shift with or displaying the
must immediately symptoms of
COVID-19?
report to their supervisor and/or Human
Resources.
