

MAPS Strategic Plan

2022-2025

Student Achievement

Goal Statement: Develop a comprehensive framework to address the academic, social, and emotional needs of MAPS students

Objectives:

- Develop and implement an MTSS framework
- Develop a system of regularly reviewing academic and non-academic data
- Create a culture of learning that supports the academic, social and emotional achievement of every student

Wellness Team

Goal Statement: Develop a system for regularly assessing the social and emotional well-being of staff and students

Objectives:

- Develop a system for regularly assessing the social and emotional well-being of staff and students
- Utilize XSEL assessment data to identify student instructional needs
- Create programming to address staff and student needs
- Promote and provide wellness opportunities and education for staff, students, and parents.

Facilities/Learning Environment

Goal Statement: Develop a plan for maintaining an infrastructure conducive to student success and develop learning environments that support all learners

Objectives:

- Explore ways to improve energy efficiency and reduce cost
- Review and adapt our district-wide safety and security protocols
- Continue to make our exterior welcoming and appealing to the community
- Explore various classroom and building configurations to meet the needs of all learners
- Consider the option of renewing a bond or creating a new bond, to support our infrastructure
- Communicate with our community the need for a sinking fund renewal in order to support our current infrastructure
- Utilize energy and safety audits as a mechanism to explore grants to improve classroom and building configuration, including the exploration of alternative energy options

Professional Development

Goal Statement: Develop a professional development plan which supports the implementation of MTSS

Objectives:

- Clarify the role of PD within the scope of MTSS implementation
- Communicate the framework and objectives of PD in a manner that allows for thoughtful planning
- Provide options to address individual/group needs when providing PD
- Coordinate with MARESA and other LEAs to better align to regional goals and objectives for professional development
- Find creative ways to build in valuable professional development without unnecessary loss of instructional time

Business/Finance

Goal Statement: Develop a plan to position MAPS for continued fiscal responsibility while adequately funding projects to facilitate learning

Objectives:

- Provide an equitable learning environment that enhances student learning. An equitable learning environment is defined as buildings and classrooms being maintained to a comparable standard across the district
- Align financial priorities to the MTSS initiative, which requires a multi-year implementation plan
- Monitor the finances of the district in order to maintain a healthy financial position

Community Relations

Goal Statement: Develop a multi-tiered system of communication for informing stakeholder groups of district wide progress and positive changes that support the district mission

Objectives:

- Effectively share district information that supports the district mission utilizing social media platforms
- Effectively share district information that supports the district mission by attending and presenting to local groups that can share and invest in our successes
- Effectively share district information that supports the district mission by increasing the number of communication channels utilized
- Effectively communicate with all stakeholders in our MAPS community aiming for 100% outreach

District Mission:
 With an exemplary staff and rigorous curriculum our mission is to maximize the academic potential of every child
